**NOTES:**

Application for the issue of a national visa and accompanying documents shall be submitted to the Lithuanian visa authority in a foreign country or through an external service provider. If the state, where the applicant is legally resident, there is no Lithuanian visa service or external service provider, the application and documents may be submitted to any Lithuanian visa authority abroad or through any external service provider application center. If foreigner is not a national of the State in which documents are submitted for the purpose of obtaining a national visa, he must produce the documents, his legal position in that country. Applicants for a national visa examination reveal that foreigner in the State where the request is illegal, the examination is terminated.

An application for the issue of a national visa and the accompanying documents may be submitted to the visa authority in Lithuania if foreigner is legally in the territory of the Republic of Lithuania.

Foreigner fingerprints are taken. If fingerprints of a foreign national applying for a national visa were taken less than 59 months before the date of submission of the new national visa application, they are copied to a subsequent request. In this case, documents may be submitted by an authorized person on behalf of foreigner for the purpose of obtaining a national visa. He must submit a power of attorney approved by a notary or equivalent, or a power of attorney approved by a legal person. An authorized person on behalf of foreigner serving documents to a visa office in Lithuania must be legally resident in the territory of the Republic of Lithuania. If there is a suspicion of foreigner's destination, the authenticity of the documents submitted, the visa official may, in order to ascertain the credibility of foreigner, require foreigner to present the documents personally and, in the event of reasonable doubt as to the identity of foreigner, to take fingerprints without the specified period.

The application and examination of a national visa application accompanied by the attached documents shall be governed *mutatis mutandis* by the provisions of Article 6 of the Visa Code (Regulation (EC) No 810/2009 of the European Parliament and of the Council 2009-07-13) as well as Chapters II and III. If the application for a national visa is submitted in a manner other than that provided for in the Visa Code, the request shall not be considered and the applicant shall be informed thereof.

If the visa office provided only copies of documents - their authenticity must be attested copies certainty testimony of an authorized person or institution.

No Lithuanian language documents drafted Lithuania visa service accompanied by a translator's signature certified translation into the Lithuanian language.

Visa service civil servant, in justified cases (for example, in order to clarify the circumstances of foreigner's entry into the Schengen area; in case of reasonable doubt as to the authenticity of the submitted documents or their content; in order to determine whether there are grounds for refusal of a national visa referred to in Article 19 of foreigners Law) may invite an applicant for a national visa for an interview and / or request additional documents confirming the data contained in the national visa application and the accompanying documents.

The decision to issue a national visa is made within 15 calendar days from the date of the request. This period may be extended by up to 45 calendar days.
