⁴ A foreigner has an extended seasonal work permit if the total period exceeds 90 days or has applied for issuance of a new or extension of the seasonal work permit - an application for a national visa and the supporting documents have to be submitted to a Lithuanian visa service in a foreign country or to an external service provider visa reception center.

NOTES:

Application for the issue of a national visa and accompanying documents shall be submitted to the Lithuanian visa authority in a foreign country or through an external service provider. If there is no Lithuanian visa authority or external service provider in the country where the applicant is legally resident, the application and documents may be submitted to any Lithuanian visa authority abroad or through any external service provider's visa application center. If the foreigner is not a national of the State in which the documents are submitted for the purpose of obtaining a national visa, he must produce documents proving his legal status in that State. The examination of an application for the issue of a national visa after it has been established that the foreigner is illegally staying in the requested State shall be terminated.

Foreign fingerprints are taken. If fingerprints of a foreign national applying for a national visa have been collected less than 59 months before the date of submission of the new national visa application, they shall be copied to the subsequent application. In this case, documents may be submitted by an authorized person on behalf of the foreigner for the purpose of obtaining a national visa. He must submit a power of attorney approved by a notary or equivalent, or a power of attorney approved by a legal person.

The application and examination of a national visa application accompanied by the attached documents shall apply *mutatis mutandis* to the Visa Code. (13/07/2009 Regulation (EC) No 810/2009 of the European Parliament and of the Council) Article 6 as well as the provisions of Chapters II and III. If the application for a national visa is submitted in a manner other than that provided for in the Visa Code, the request shall not be dealt with and shall be notified to the applicant.

Where only copies of documents are provided to the visa authority, their authenticity must be evidenced by the identity of the person or authority having the right to authenticate the copies of the documents.

Visa service civil servant, in justified cases (for example, to clarify the circumstances of the foreigner's entry into the Schengen area; in the event of reasonable doubt as to the authenticity of the documents submitted or the accuracy of their content; in order to determine whether there are grounds for refusing a national visa pursuant to Article 19 of the Law on the Legal Status of Foreigners) may invite an applicant for a national visa for an interview and / or request additional documents confirming the data contained in the national visa application and the accompanying documents.

The decision to issue a national visa is made within 15 calendar days from the date of the request. This period may be extended by up to 45 calendar days.
